SHOWERING SPACES

*Designed  
for life*

**“Every block of stone has a statue inside it, and it is the task of the sculptor to discover it.”**

The words of Michelangelo truly express the exciting potential of stone, and now you can too with our beautifully crafted range of premium stone resin shower trays.

Lakes Stone will create drama in any showering space. The contemporary suite is available in a choice of four sizes and three colours to suit rectangular showering spaces across Lakes' Island, Coastline and Classic Collections.

Backed by a 10 year guarantee, our exciting new range is also guaranteed to turn heads. The beautifully tactile texture allows your customers to experience a stunning, luxurious finish that will last for many years to come.

So maximise your sales and margins, and turn heads in your showroom with Lakes Stone.

**Call 01684 853 870 to find out how your showering space displays can benefit.**

*Marseilles Walk-in showering space from Lakes' Coastline Collection with Lakes Stone tray in Cotswold Grey*

Offering unrivalled safety and hygiene, our contemporary suite of premium quality stone resin shower trays are anti-slip and anti-bacterial. A non-porous surface prevents mould or bacteria forming in the joints or beneath the surface.

Soft to the touch, the beautiful tactile nature of Lakes Stone will enhance all showering spaces to create a luxurious, high-end feel.

# BEAUTIFULLY TACTILE

Resilient to withstand the wear and tear of everyday life, Lakes Stone includes a premium matt finish with a unique through-colour, so the stylish looks are not affected if the tray is accidentally knocked.

The 30mm rectangular trays are easy to fit and can be inset into the floor, making Lakes Stone suitable for a wide range of projects, without compromising the overall aesthetics.
