Antigua and Aruba | Island Collection
New slider and side panel

Designed for Life

Antigua slider

From our premium Island Collection, Antigua's high-specification design guarantees maximum performance, while its outstanding elegance creates a wow in any bathroom space.

This stylish and contemporary sliding showering space has all the stand-out features homeowners love. The cast handle catches the eye and feels solid and comfortable in the hand. A low threshold allows easy and safe access, and a softly closing door glides effortlessly to a near-silent stop at the touch of a finger. Add your perfect finishing touch with a choice of colour options for the handle and profile caps from Lakes Definitions.

Features

With its distinguished qualities and attention to detail, our new Antigua Slider leads in performance and design.

Sleek aluminium frame with Lakes Definitions chrome profile caps as standard. Four other contemporary colour options available.

Concealed wheels for easy cleaning and enhanced design.

Easy glide door that closes softly to a near-silent stop at the touch of a finger.

Ultra slim gap between the fixed panel and the sliding door.

Solid cast handle with smooth, rounded edges for supreme elegance. Shown in chrome as standard. Four other colour options available from Lakes Definitions.

Stylish and discreet Quick Release spring mechanism for the best in practical and aesthetic appeal.

Aruba

slider & side panel

The Aruba has all the benefits of the Antigua and with the addition of a side panel. Concealed fittings create a seamless look and add the perfect finish to this contemporary showering space.

The Aruba surrounds you with extensive glass for that ultimate feeling of light and space. This chic design shown below is accessorised with a gold handle and gold profile caps from Lakes Definitions; and Lakes Stone tray in Cotswold Grey.

LAKES

Definitions

Increasingly, homeowners want to personalise their bathroom space with complementary bathroom furniture for that perfect finishing touch. Our Antigua and Aruba showering spaces meet this growing trend with a choice of colours for the handle and matching profile caps.

The Antigua and Aruba include a chrome handle and chrome profile caps as standard. Other on-trend colour options available to order are gold, rose gold, nickel and matt black.

The stylish handles and profile caps are easy to change retrospectively, making Lakes Definitions a flexible choice for bathroom renovations.

Lakes Glass: The Antigua and Aruba include PureVue^{HD} low-iron glass for superior clarity and AllClear[®] advanced glass coating for long-life looks.
